

FAMILY FUN TECHNOLOGY DAY

Saturday 28th March 2020, 11am-3.30 pm

CALL Scotland, Paterson's Land, Holyrood Road, Edinburgh, EH8 8AQ
tel: 0131 651 6236 email: info@callscotland.org.uk

CALL Scotland

Run by specialist staff (CALL, FAACT, KEYCOMM, SCTCI, and others) and funded by Augmentative Communication in Practice: Scotland, this is a chance for families of children with additional support needs to try out and learn about software, hardware, and specialised communication technologies. If you are a professional you are welcome to come along with a family you work with.

Enjoy chat with experienced staff about technology and software, demonstrations, 'hands on' time with computers and toys, storytelling, crafts, music, computer games, Smart Wheelchair rides, communication aids, information, prizes and more!

The day is free, but please book a place in advance. Phone 0131 651 6236 in advance to discuss any special arrangements your family may require. Information about parking etc will be available at <http://bit.ly/acipsfamilyfunday20>.

Pamiloo - We are very grateful to PAMIS for the use of their Pamiloo, which will provide visitors with accessible toileting and changing facilities.

The day is FREE and refreshments, including a sandwich lunch, will be provided.

Drop in for a couple of hours, or stay all day!

In the unlikely event of a fire, we ask parents to take responsibility for their children, though there will be volunteers available to help make a safe exit.

Please return this form to: CALL Scotland, Paterson's Land, Holyrood Road, Edinburgh, EH8 8AQ by **Friday 13th March**. Alternatively, book online at <http://bit.ly/acipsfamilyfunday20>

The following people will be attending the Family Fun Technology Day 2020:

Names of adults _____

Names and ages of children attending _____

Contact address _____

_____ Postcode _____
